IMPORTANT: Most player categories are ranked on per-game average. Thus, it's vital that you consider every player (on both teams) with any statistics in any game this season (get season player statistics from both SIDs). Then list below the last name of players who have season figures but did NOT play in this game. All players with previous statistics will be charged with a game unless you indicate otherwise under DID NOT PLAY IN THIS GAME. A game played is one play—whether or not the player touches the ball. (For guidelines on a game played, refer to BI-7 in 1980 Official Football Statisticians' Manual.) If a player with first-time statistics has missed games, fill in below—after getting from his SID how many games missed.
