Our players went in to the game confident we could win.

are not familiar with;

"for those who don't know our team probably expected us to fold down the sheet, but our team has been in a lot of pressure sit. and they are accustomed to taking it down to the wire. They're the kind."

They've already demonstrated their ability to keep their game under fire. — and not just forget but in all the close games we've played."

used 6 diff. def. — and everybody did their job right. — we executed well.

started as a man, got into a little foul trouble → 2-3 zone then to a 3-2 zone then later to matchup and finally a diamond and one on Biggs — at end of game — we went to 1-3-1

— our def. frustrated them when they attempt to go inside —
